

# WELCOME TO NYU SHANGHAI NEUROSCIENCE mini-symposium

**J. Anthony Movshon**

University Professor, Silver Professor  
Director, Center for Neural Science  
New York University

**Xiao-Jing WANG**

Associate Vice Chancellor for Research, NYU Shanghai  
Professor of Neural Science  
Co-director, Swartz Program in Theoretical Neuroscience  
New York University  
Faculty, NYU-ECNU Institute of Brain and Cognitive Science  
at NYU Shanghai

**Yongdi ZHOU**

Director, Key Laboratory of Brain Functional  
Genomics  
Dean, School of Psychology and  
Cognitive Science  
East China Normal University  
Faculty, NYU-ECNU Institute  
of Brain and Cognitive Science at NYU Shanghai

**Qing CAI**

Associate Professor, Institute of Cognitive Neuroscience  
East China Normal University  
Faculty, NYU-ECNU Institute of Brain and Cognitive Science  
at NYU Shanghai

**Liping WANG**

Associate Professor, Institute of Cognitive Neuroscience  
East China Normal University  
Faculty, NYU-ECNU Institute of Brain and Cognitive Science  
at NYU Shanghai

**Xinying CAI**

Assistant Professor of Neural and Cognitive Sciences  
NYU Shanghai  
Faculty, NYU-ECNU Institute of Brain and Cognitive Science  
at NYU Shanghai

**Jeffrey Erlich**

Assistant Professor of Neuroscience  
NYU Shanghai  
Faculty, NYU-ECNU Institute of Brain and Cognitive Science  
at NYU Shanghai

## DATE

Thursday  
September 18, 2014

## VENUE

Executive Lounge, 15<sup>th</sup> Floor, NYU Shanghai  
1555 Century Avenue, Pudong, Shanghai

## SCHEDULE

4:00-4:15pm Coffee Time

4:15-4:30 pm **Xiao-Jing WANG** - Welcome and Introduction of the Institute

4:30-5:30 pm **Qing CAI** - Beyond Hemispheric Specialization: Language and Other Cognitive Functions

**Xinying CAI** - Neuroeconomics: the Best of Both Worlds

**Jeffrey Erlich** - Functional Maps of Decision-coding in the Rat

**Liping WANG** - How do Monkeys and Humans Represent the Abstract Structure of Sequences?

5:30-5:45 pm **Yongdi ZHOU** - Neuroscience and Graduate Education at East China Normal University

5:45-6:00 pm **J. Anthony Movshon** - Neuroscience and Graduate Education at New York University

6:00-6:15 pm Q&A Session

6:15-6:45 pm Campus Tour

6:45 pm Dinner
