Sciences at NYU Shanghai

Special Seminar Series

Title: Literature and Working Seminars on Eigenvalues and Eigenfunctions

Organizers: Prof. Fanghua Lin and Prof. Xingbin Pan

Time: Every Thursday (Commencing from September 12), 2:30pm - 4:30pm, Fall Semester 2013

Venue: Room 371, Geography Building, 3663 North Zhongshan Road, (华东师范大学中山北路校区, 地理楼 371 室)

Description:

The NYU-ECNU Institute of Mathematical Sciences at NYU Shanghai will host literature & working seminars on various research topics for students and post-doctoral researchers. Faculty and visitors are welcome to participate. We would also like to invite all those with expertise on the topics of discussion to give survey lectures. The seminar series for this semester will focus on "Eigenvalues and Eigenfunctions for Elliptic Operators". Professor Fanghua Lin, the Director of the NYU-ECNU Institute of Mathematical Sciences at NYU Shanghai will be the main speaker of the first seminar which will be held on Thursday, September 12th.
