How to View Your Electronic Bill

Click the "Student Account" link to View E-bill

Click the "GO" button:

Your e-bill will pop up in a new window. Please make sure your browser Pop-Up blocker is turned off. To turn off click "Tools," then click "Options" or Internet Options.

The "Account Activity Since Your Last Statement" section will show any activity on your Bursar account since the e-bill was generated. For example if you added a class after the bill was sent, it will show the new charges for the class.
