24 Annual Review of Gerontology and Geriatrics	NA/NA	N	01988794	Q4 0.258	2	8	13	0	United States

Rank Indicators:

Impact Factor: It is the average number of times articles from the journal published in the past two years have been cited in the Journal Citation Report year.

5-Year IF (5-Year Impact Factor): It is the average number of times articles from the journal published in the past five years have been cited in the Journal Citation Report year.

SSCI/SCIE (Social Science Citation Index/ Science Citation Index Expanded): "SSCI" means that the journal is included in the SSCI, "SCIE" means that the journal is included in the SCIE, and "N" indicates that the journal is not included in the SSCI or SCIE.

ISSN: International Standard Serial Number

SJR (SCImago Journal Rank): It is a measure of journal's impact, influence or prestige. It expresses the average number of weighted citations received in the selected year by the documents published in the journal in the three previous years.

SJR Quatile: Q1, Q2, Q3, Q4

H index: It expressed the journal's number of articles (h) that have received at least h citations over the whole period.

Total Cites (3 years): It expresses the number of citations in the selected year by a journal to the documents published in the three previous years.

Citable Docs (3 years): It expresses the number of citable documents published by a journal in the three previous years (selected year documents are excluded).

Cites/Doc. (2 years): It expresses the average citation per document in a 2 year period.
