| <b>Thursday, Dec 21, 2017</b>  |   |                              |
| 9:00 AM -12:00 PM              | Linear Algebra&Differ Equation          | Tao,Huang                    |
| 9:00 AM -12:00 PM              | Honors Linear Algebra I                 | Kious,Daniel                 |
| 9:00 AM -12:00 PM              | Mathematical Statistics                 | Kong,Xiaoli                  |
| 9:00 AM -12:00 PM              | World History: Part I                   | Sen,Tansen                   |
| 9:00 AM -12:00 PM              | Precalculus                             | Li,Zhehua                    |
| 9:00 AM -12:00 PM              | Multivariable Calculus                  | Xu,Weijun                    |
| 9:00 AM -12:00 PM              | Intro - International Politics          | Rasmussen,Ivan W             |
| 9:00 AM -12:00 PM              | Mod Econ Growth: Explore China          | Gao,Pei                      |
| 9:00 AM -12:00 PM              | Digital Marketing                       | Lee,Jeffrey KwokWai          |
| 2:00 PM -4:00 PM               | Comp Advantage from Operations          | Zhang,Renyu                  |
| 2:00 PM -5:00 PM               | Econometrics                            | Okui,Ryo                     |
| 2:00 PM -5:00 PM               | Intro to Comparative Politics           | Rasmussen,Ivan W             |
| <b>Friday, Dec 22, 2017</b>    |   |                              |
| 9:00 AM -12:00 PM              | Information Visualization               | Cao,Nan                      |
| 9:00 AM -12:00 PM              | Principles of Macroeconomics            | Set,Eric                     |
| 9:00 AM -12:00 PM              | Linear Algebra                          | Hilario,Marcelo              |
| 9:00 AM -12:00 PM              | Real Variables                          | Xu,Weijun                    |
| 9:00 AM -12:00 PM              | Cultures of Business and Work           | Lee,Leksa                    |
| 9:00 AM -12:00 PM              | Development Economics                   | Gao,Pei                      |
| 9:00 AM -12:00 PM              | International Financial Manage          | Geraci,Michele               |
| 2:00 PM -3:30 PM               | Traditional Chinese Wisdom              | Yu,Zhenhua                   |
| 2:00 PM -4:00 PM               | Introduction to Neural Science          | Cai,Xinying                  |
| 2:00 PM -5:00 PM               | Info Tech in Business & Society         | de Fortuny,Enric             |
| 2:00 PM -5:00 PM               | Great Ideas in Mathematics              | Liu,Yuning                   |
| 2:00 PM -5:00 PM               | General Physics I                       | Byrnes,Timothy               |
| 2:00 PM -5:00 PM               | Found of Physics I Honors               | Band,Yehuda/Chen,Hanghui     |
