Replacement cost for damaged materials varies and will be assessed by the library on a case by case basis.

Hold and Recalls

Items with holds or recalls may have a shortened loan period. You will receive emails with the new due dates if items you checked out are recalled or requested.

Library Account Block

Your library account will be blocked, so that you cannot check out or renew any items, for any of the following reasons:

- You owe a total of USD \$5.00 or more in fines and fees.
- Any item checked out on your record is overdue.
- Any item which has been recalled from you has not been returned by the new due date.
- Any email we send you is bounced back.

Student Account Hold

Fines in excess of USD \$100 on your library account will result in a hold being placed on your University record. The hold will prevent you from being able to register for classes (including drop/add), receiving your diploma, and receiving transcripts. If you have been informed by the Bursar that you have a "library hold" on your student account, please contact the NYU Shanghai Circulation Desk.
