MSW Program at Shanghai and New York*

NYU Silver’s MSW program at Shanghai and New York provides the opportunity to experience an innovative global MSW education. Extended immersion in Shanghai and New York allows students to critically reflect on cultural, social, and economic similarities and differences between these two environments, and it enhances their learning about culturally appropriate practice. The program consists of a generalist practice curriculum in Shanghai followed by a specialized practice curriculum in clinical social work. Students spend two semesters in a field instruction agency in each of the program’s two years, for a total of 1200 hours of field learning experience.
